

1. Status Working Group

1.1 Dimension of Systems Engineering Volume

Still in its creation phase

1.2 LTH CD Distribution

Around 15 CDs distributed to the Working Group members

1.3 Distribution List

See list of members !

1.4 Enlargement of Working Group

It is planned to invite participants from
MTU Munich and
ASTRIUM Bremen.

1.5 Status of Reports

There are three draft reports in hand.

1.6 Institutions supporting the Working Group

1.6.1 Members

Airbus (sites Toulouse, Hamburg and Bremen)
Rolls-Royce Deutschland
IABG
Eurocopter Deutschland
EADS Military Aircraft
WTD61, Manching
Liebherr-Aerospace, Lindenberg
Diehl Aerospace

1.6.2 Supporting or counselling members

TUHH Hamburg-Harburg - Prof. Thieleke / Dr. Kleemann
Airbus (site Hamburg)

1.7 Number of members of the Working Group

11 members
2 supporting or counselling members

1.8 Miscellaneous

2. Activities during the reporting period

2.1 Meetings

4 meetings have been carried out :

1. Meeting (KoM) on 1 Dec at Eurocopter, Ottobrunn
2. Meeting on 7 Mar at Airbus, Hamburg
3. Meeting on 18 Jul at WTD61, Manching
4. Meeting (Phone Conference) on 23 Sep

2.2 Endorsed reports:

2.3 New reports

three (ref. pending)

2.4 Reports in hand

three (ref. pending)

2.5 Miscellaneous

The Working Group language is English. Therefore, also the Terms of reference have been written in English.

2.6 Subjects for 2008

- Data Loading
- Simulation Functional Models Standardizing Process
- IMA

3. Working Plan

Roadmap
